EEIU & DATA PROTECTION

EEIU Members. In order to protect the privacy of all EEIU Members and in accordance with international data protection law (i.e., the European Commission's Directive on Data Protection, Directive 95/46/EC), EEIU Membership is listed only with the unambiguous consent of the EEIU Member. Per individual direction, abbreviated information may be listed on the EEIU website and/or full details provided in an electronic EEIU Directory available to EEIU Members only. Not all EEIU Members are listed publicly.

EEIU Fellows. Unless otherwise instructed, EEIU Fellows' abbreviated information is listed on the EEIU website, and full details may be listed in an EEIU Directory available to EEIU Members only. According to individual request, not all Fellows are listed publicly.

Under 18. EEIU Members under the legal age of 18 must submit the appropriate EEIU "Request for Parental Consent", to provide verifiable parental consent for the collection of personal information from children and young people. This form must be signed by the parent(s) and on file at EEIU Headquarters in Germany. This can be done via postal mail or facsimile, or email accompanied by a digital signature.

To request your information be removed from the EEIU website or the Membership List/Directory, please contact EEIU Administration. Information supplied to EEIU will be stored for EEIU's use only and will not be sold or passed on to other organisations without individual Members' express permission.
