### **NOMINATION / INVITATION LETTER**

The Cameroon Ozone Club, pursuant of her ideals towards environmental protection especially vis-à-vis conservation efforts in protecting our fast extinguishing equatorial forests and the right to personhood of the great apes, hereby nominates Mr ABHI AHMADADEEN, to the post of **GOODWILL AMBASSADOR TO THE CAMEROON OZONE CLUB**, to enable him to lobby for aid towards our numerous activities in the domains of endangered species and environmental protection throughout the national territorial.

We came to this conclusion after a study of his promotional activities worldwide, his keen interest in environmental issues in Africa and his struggle for the right to personhood of the great apes.

We seize this forum to invite him to Cameroon to work in collaboration with the Club, to assess the state of our biodiversity especially the great apes.
